Exclusive Launch of the 2017 Nangarin Estate Chardonnay
Len's Legacy

2017 saw the first harvest in Nangarin since 2006, when the wine was produced by Vicarys Winery and managed by the Estate Developers, Bradcorp. The original grapes were planted in 2000 under the watchful eye of the late Len Evans. Following a decline in Chardonnay sales and an over-supply nationally, Nangarin Vineyards were maintained but did not yield a harvest.

2014 saw the appointment of Darren Corradi (Viticulturist), where Nangarin Vineyards flourished and together with Eddy Rossi (Winemaker) and the Southern Highlands Winery, Lens Legacy Chardonnay was produced.

Residents, family and friends now have the opportunity to attend the Exclusive label launch and release of this premium Chardonnay.

The launch will take place at Southern Highlands Winery, 42 Oldbury Road, Sutton Forest. (<https://www.southernhighlandswinery.com.au/>) on Sunday, 14th October, 2018.
